My husband Paul has been diagnosed with MSA (multiple system atrophy) this is a neurologic disease which there is no cure for, and your body down.

He has two (2) neurologists at the Univ of PA - Dr. Hamilton and Dr. Aktar

Dr. Poorvi Trivedi DO
NP#125521290
Camden VA Clinic

In additions to other doctors and the VA.

I have attached paperwork were they have approved a ramp for my husband.

Also, we have an appointment in two weeks for an electric wheelchair.

This terrible disease no one knows how it going to progress, but at the moment he seems to be declining.

I hope you have enough proof that this is for a medical condition.

You may contact the doctor at the VA if you want additional proof.

My husband currently has a stair lift that was approved by the VA.

I appreciate your help and support in getting the ramp approved for my husband.
This will be the only way we will be able to leave the house.

If you need any additional information, please let me know.

Sincerely,

Anita M. Sopenoff
