To Whom It May Concern,

I have included the required paperwork for an application to add a shed to our backyard. Please take note that the picture of the model we are interested does not indicate the correct siding. We will be installing that particular model and size shed, but with vinyl siding and trim to match the colors of the house.

If you have any questions, please do not hesitate to contact me at any time. My color printer ran out of ink, but I can provide any and all of the picture in color via email as .jpg's.

Sincerely,

André Vermeulen
