The purpose of this application is for a dead tree removal on our property. We feel this is a safety hazard and could potentially come down on our property or our neighbor's property because of how the tree is located. Please see 3 attached survey plans as of 2016, included marked location of tree, dimensions and shaded area containing 20% of natural vegetation/landscape still intact.

(your address will be added to the email alert list and you will receive approval notification by email)

1. Draw a simple sketch below to indicate location, dimensions, materials, color and other pertinent information, or attach a copy of your plans.
2. Attach a copy of your lot survey on which you have drawn (to scale) the structure.
3. Submit 3 copies each (except swimming pools) of the following: this form, any plans, your lot survey
4. For swimming pools only, 4 copies of the following: this form, lot survey, pool plans, landscape plans (existing and proposed), soil erosion plan, and wastewater disposal plans (backwash and draining)
5. For tree removal, on lot survey mark location of ALL trees noting the ones you wish to remove and why. Also, lightly shade all areas of property left 'undisturbed' to show compliance with our 20% undisturbed natural vegetation per Article V, Section 1. (p) of the C & R's.
